Due to ongoing the ongoing Covid-19 pandemic, the following protocols will be observed in the following school year:

1. **All students of eligible age are required to be vaccinated against Covid-19 to attend group classes. For Advanced Robotics, this means that all students must be fully vaccinated.**
2. All students will be picked up 5 minutes before the scheduled start of class in front of the building at 2350 Broadway. Caregivers are asked to refrain from entering the lobby. Students will be brought back to the front of the building at the conclusion of class.
3. Prior to class every week, students will have their temperature checked with a contactless thermometer, and a verbal wellness check will be performed. Any students with a fever, severe headache, flu-like symptoms, or respiratory symptoms will be sent home.
4. Masks will be work indoors by students at all times.
5. Any student who has missed school on the day of a class due to illness, including non-Covid illness, may not attend afterschool that day.
6. Students will be asked to wash their hands with soap and water every time they enter the classroom from outside.
7. Students will be seated a minimum of 3 ft apart.
8. An air filter with a 0.1 μm HEPA filter and CADR 330 will be on in each room at all times. Due to the window air conditioners and winter conditions, windows cannot be open at all times, but will be open whenever possible.
