COVID Protocols

COVID-19 Vaccination Status

Has the student tested positive for COVID-19 in the last 6 months? _____

If yes, please supply the date of most recent positive test: _____

- Unvaccinated
- First Vaccine Dose Received Date: _____
- Second Vaccine Dose Received Date: _____

Please supply a photo of student's COVID-19 vaccination card with this form if the first or second doses have been received.

Due to ongoing the ongoing Covid-19 pandemic, the following protocols will be observed in the following school year:

- 1. All students of eligible age are required to be vaccinated against Covid-19 to attend group classes. As of 9/1/21, this means that all students are required to have received a first vaccine within the 3 weeks after their 12th birthday. We anticipate that this mandate will be extended to younger students during the winter of 2021-2022.**
- 2. Students who are not yet vaccinated must supply a biweekly negative Covid-19 test to Poly Ed. Unfortunately home tests cannot be accepted. Many students are already required to take weekly tests by their schools. Please feel free to contact your school and ask to be provided a negative result to supply to Poly Ed. All cases will be approved individually. Some schools, such as Dalton and Collegiate, are testing all students weekly, but are only informing parents of positive results. Unfortunately, Poly Ed must be supplied with confirmation of a negative, even in the form of a forward of an official school email confirming that the student was not a positive case that week.**
3. All students will be picked up 5 minutes before the scheduled start of class in front of the building at 2350 Broadway. Caregivers are asked to refrain from entering the lobby. Students will be brought back to the front of the building at the conclusion of class.
4. Prior to class every week, students will have their temperature checked with a contactless thermometer, and a verbal wellness check will be performed. Any students with a fever, severe headache, flu-like symptoms, or respiratory symptoms will be sent home.

5. Masks will be work indoors by students at all times.
6. Any student who has missed school on the day of a class due to illness, including non-Covid illness, may not attend afterschool that day.
7. Students will be asked to wash their hands with soap and water every time they enter the classroom from outside.
8. Students will be seated a minimum of 3 ft apart.
9. An air filter with a 0.1 μm HEPA filter and CADR 330 will be on in each room at all times. Due to the window air conditioners and winter conditions, windows cannot be open at all times, but will be open whenever possible.
